

DBCL 2025 3D Archery League Schedule

NOTE:

There are no designated days of the week for shooting 3D Archery League. The season has beginning and end dates but can be shot any day the club is open. There are 17 weeks the league shoots, and 17 scorecards submitted by each shooter. Shooters have flexibility to shoot any week's course anytime during the 3D season. The only exception to the scheduled week's flexibility is for Week 17. All rounds must be completed by Wednesday August 13 to allow time for course changes before the Open 3D Shoot on Saturday August 16.
